**CHS ALMA MATER**

Some the blue and gold do cherish;  
Some the cream and crimson choose.  
Ah, but we would rather perish  
Than our red and white should lose.  
Oh, the CHS is loyal  
To her colors, all are true!  
To her colors, all are true!  
With a spirit rich and royal  
Till her ship comes sailing through.

**CHS SCHOOL SONG**

CHS, our hats off to thee,  
To our colors true we will ever be.  
Firm and strong, united are we.  
Rah, Rah, Rah for CHS.  
Rah, Rah, Rah for CHS.  
Rah, Rah for dear old High!

**FCSC STUDENT CODE OF CONDUCT**

This student handbook, including the Student Code of Conduct, should be read in conjunction with the Fayette County School Corporation Policy Manual. This handbook and the Student Code of Conduct are intended to implement FCSC Board policy. Although the provisions of this handbook are intended to be consistent in all respects with applicable Board policy, any apparent conflict between the provisions of Board policy and this handbook shall be resolved in favor of the provisions of FCSC Board policy.

All "Rules of Conduct" listed in the Fayette County School Corporation "Student Code of Conduct" are in effect at all school events, on and off school grounds. Violation of these rules will be grounds for suspension/expulsion.

We expect every staff member to be treated with respect and dignity, just as the student should receive the respect of the staff. It is imperative that the teacher be in charge of the class. Anything less would lead to a poor educational opportunity for all. A show of disrespect toward a staff member or insubordination on the part of the student will not, under any circumstances, be tolerated.

**SUBSTITUTE TEACHERS:** Our school is fortunate to have capable people to help us whenever regular teachers are absent. A substitute teacher is an important visitor whose impressions of our school will be carried into the community. Be polite, helpful, and considerate as you would be to your regular teacher.

**AUTHORITY OF SCHOOL EMPLOYEES:** All of the adult employees of Connorsville High School have certain responsibilities to the school, and in order to carry out these responsibilities, they have certain authority to correct students when the need arises. If any student is corrected by any adult employee, whether the employee is faculty, clerical, cafeteria, custodial, or bus driver, the student is expected to accept such correction. The rights and responsibilities set forth here in no way limit the legal authority of school officials to deal with disruptive students.

**ELECTRONIC DEVICES**

Electronic devices (this includes but is not limited to cell phones, laptops, tablets, camera phones, MP3 players, IPODS, CD players, music playing devices, pagers, etc.) may be utilized during class time for instructional purposes only (only exception will be at teacher's direction and supervision). Electronic equipment being used during class time without the teacher's permission or for non-instructional purposes will be a violation of the cell phone/electronic devices policy. Violation of this policy will result in disciplinary action according to the CHS student handbook and FCSC student code of conduct.

Use of cell phones and other electronic devices will be allowed during passing periods and during each student's lunch time only. Acceptable use of these devices is the expectation. Any inappropriate use will result in violation of this policy and disciplinary action will take place.

Students are prohibited from any use that is inappropriate for a school setting and/or that causes any disruption of the educational process (for example: inappropriate web sites, sexting, harassing or threatening conversations/messages; utilizing “HOT SPOT” features; disrespectful or dangerous behavior; taking, displaying or transmitting inappropriate pictures, etc.) All devices must have the “HOT SPOT” setting, Internet media streaming, and digital “SHARING” functionality turned off. Students bring these items to school at their own risk. Fayette County School Corporation will not be responsible for loss, damage, or theft of any electronic device brought to school. Students must keep their electronic devices secure at all times.

Students violating the cell phone/electronic device policy may be subject to disciplinary action; i.e., device confiscated, detentions, isolated instruction, in-school suspension, out-of-school suspension and/or expulsion. Electronic equipment being used in violation of this policy will be confiscated by school personnel and parents/guardians will be required to pick up the equipment each time a student violates this policy.

If the FCSC Technology department/administration determines that the school network is being negatively affected by student use of electronic devices during the school day, this policy may be revoked or amended as needed to protect the integrity of the school corporation network.

#### **POLICY ON ACADEMIC MISREPRESENTATION**

Connersville High School considers academic integrity a serious issue. Students assigned projects, reports, and research papers are expected to analyze material being studied and synthesize the information into an original product. Students are therefore expected to acknowledge sources of ideas, opinions, statistics, and/or quotations that contribute to the final product. A project or paper is expected to be the original work of the student, not in collaboration with others unless so assigned, and free from fabrication or plagiarism.

Academic misrepresentation will result in a grade of “zero” for the assignment. Plagiarism includes the following but is not limited to these examples:

1. Turning in another student’s work as one’s own

2. Published work submitted by a student as if the student had written it
3. Fabrication of research information and/or sources
4. Absence of citation
5. Retaining the same sentence structure and wording from a source
6. Quoted material not indicated as quoted and not cited

Copying or allowing others to copy homework or other assignments is also considered academic misrepresentation and will result in a grade of "zero" for all students involved.

#### **ALCOHOL TESTING**

Staff members who have reasonable suspicion that a student has consumed alcohol shall report such suspicion immediately to appropriate administrative staff. The student shall be escorted to a private location and a non-invasive field sobriety test or breathalyzer conducted by a school security officer or passive alcohol sensor test conducted by a school administrator. Students testing positive for alcohol consumption shall be disciplined pursuant to applicable school corporation policy, including FCSC Policy 1.04 and FCSC Policy 5.32. Police will be contacted if a student tests positive for alcohol and the student may be arrested. Students participating in extracurricular activities may also be tested for alcohol in accordance with FCSC Policy 5.33.

#### **SMOKING/SMOKELESS TOBACCO/ELECTRONIC CIGARETTE**

Students are not permitted to smoke on the campus, in the school buildings, or at any school function. Students are not permitted to carry on their person, or in their vehicle, or use any smoking materials, including smokeless tobacco, and electronic cigarettes, while on campus, in the school buildings, or at any school function. Any student found smoking, using or possessing any tobacco products or electronic cigarettes on school grounds, in the school buildings, or at any school activity will be subject to immediate referral to the principal or his designee. Parents will be informed.

IC 35-46-1-10.5 provides that a person less than eighteen (18) years of age who:

1. Purchases tobacco or an electronic cigarette
2. Accepts tobacco or an electronic cigarette for personal use; or
3. Possesses tobacco or an electronic cigarette on his person; commits a class C infraction under state law. A citation into criminal court will be issued.

#### **MOTOR VEHICLES, REGISTRATION, PARKING, AND DRIVING REGULATIONS/SECURITY**

**REGISTRATION** - It is our intent to provide a safe and secure parking lot, but the school is not responsible for any damage or loss of property while vehicles are parked in the CHS parking lots. All motor vehicles must be registered in the main office. Parking stickers are \$5.00 per school year. Students **MUST PARK** their cars in Waterloo or Columbia lots from 7:00 a.m. to 3:40 p.m. Use of a parking lot is a privilege, and with this privilege comes certain obligations.

2. Reckless and careless driving will not be tolerated.  
(Speed limit 5 MPH in parking lots)
3. Park solely in the area specified as student parking lot.  
Parking in other areas may result in a car being towed away at the owner's expense.
4. Lock your car.
5. Assist in keeping your lot clean and safe.
6. Report any accidents or thefts immediately to your assistant principal who will assist in contacting the police.
7. Students are not to be in the lot or a car during school hours unless arriving or leaving.  
Students must leave their cars immediately and go directly to the courtyard, cafeteria or classroom buildings.
8. Students are to be cooperative and respectful to the adult responsible for controlling traffic and parking.
9. Prior to going to your car during the day, permission must be obtained from an administrator.
10. Upon arrival at school in the morning, your car is to remain parked. You will not be permitted to leave prior to the first bell.
11. Failure to comply with driving and parking regulations will result in loss of privileges and/or the towing of your car at the owner's expense and/or suspension from school.
12. It is understood that school officials have the right to search a vehicle any time it is parked on school property.
13. A second suspension from school may result in the loss of driving privileges.

14. Any student who drives to school will be required to enroll in the drug testing program. (See drug testing section for consequences for failed or refused test).

Loss of driving privileges may be extended if the next follow-up test is “unsatisfactory.” If a student has a follow-up “satisfactory” test on the next CHS provided test, then driving privileges may be reinstated.
3. Students who are in extracurricular activities which have performances and/or competitions: consequences for failed or refused drug test will follow the Spartan Code.
4. Students who are in extracurricular activities without competitions or performances: consequences will be determined by the sponsor and an administrator.

#### **BULLYING**

1. Bullying means overt, unwanted, repeated acts or gestures, including verbal or written communications or images transmitted in any manner (including digitally or electronically), physical acts committed, aggression, or any other behaviors, that are committed by a student or group of students against another student with the intent to harass, ridicule, humiliate, intimidate, or harm the other targeted student and create for the targeted student an objectively hostile school environment.

#### **CYBERBULLYING**

1. “Cyberbullying” is the use of any electronic communication device to convey a message in any form (text, image, audio or video) under a person’s true or false identity that defames, intimidates, harasses or is otherwise intended to harm, insult or humiliate another in a deliberate, repeated or hostile and unwanted manner.
2. Any communication of this form which disrupts or prevents a safe and positive educational environment may also be considered cyberbullying. Students will refrain from using personal communication devices or district property to harass or stalk another.
3. The administration will take any report of cyberbullying seriously and will investigate reports promptly. Students are encouraged to report an incident immediately to a teacher or principal, who will take appropriate action.
4. Students who make a report are expected, but not required, to preserve evidence of cyberbullying. For example, a student may save or bring a copy of an email, text message, picture or other electronic transmission that the student believes was intended to harm, insult, or humiliate.
5. Students whose behavior is found to be in violation of this policy will be subject to loss of privileges, and/or discipline, up to and including expulsion. The school corporation may also report individuals to law enforcement if necessary.

#### **SEXTING**

1. Sexting is prohibited. Sexting is defined as using a cell phone, or other electronic or personal communication device to send text or email messages, or to knowingly possess text or email messages, or disseminate, transfer or share images or messages reasonably interpreted as indecent, sexually suggestive, lewd, obscene, or pornographic.
2. In addition to taking any disciplinary action up to and including suspension or expulsion, cell phones or other personal communication devices will be confiscated.
3. Students should be aware that sending or possessing any images or messages suspected of violating criminal laws will be referred to law enforcement authorities. Sexting may constitute a crime under federal and/or state law. Such conduct engaged in by a student may result in arrest, criminal prosecution and inclusion on sex offender registries.

### **CLOSED CAMPUS**

Students are to remain on campus for the entire day unless leaving because of personal illness or appointment following prearranged absence procedures. Students who are referred for being off campus without a proper prearranged absence or without parental permission are subject to discipline. Adjacent school buildings on the school site are considered off limits at all times. P.M. WCC students are not to return to the CHS campus after dismissal. Any student being picked up should be picked up in the area designated at the end of Columbia parking lot (pool), or in the Waterloo student parking lot.

### **BUS RULES AND REGULATIONS**

Student use of bus transportation is a privilege dependent upon good behavior. In cases where students seriously or continuously break the rules, parents will be notified that a recurrence of the misbehavior will result in the suspension of the student's privilege to ride. The administration will impose all bus suspensions.

### **SCHOOL BUS DISCIPLINE PROCEDURE**

1. Verbal correction by driver
2. Verbal warning by driver
3. 1 day suspension from bus
4. 3 day suspension from bus

### **EXTRACURRICULAR BUS**

Students going to and from activities must ride on the bus unless previously excused by a parent's written request and approved by the administration.

### **SUSPENSION OR EXPULSION**

Suspension will deny the student the right to attend school or take part in any school function for a period of up to 10 school days. **Work completed during an absence due to a suspension will be credited 100%. All work must be made up in a timely manner in consultation with each teacher. Failure to do so will result in a zero.** Any suspension could result in a referral to Probation and Community Corrections. Expulsion will deny the student the right to attend school for the remainder of the current semester and could extend into the following semester or school year. Students may not be on school property during a suspension or expulsion period. IC 9-24-2-1, effective July 1, 1995, prohibits the Bureau of Motor Vehicles from issuing a driver's license or permit to a student younger than 18 who meets any of the following conditions:

1. Is an habitual truant
2. Is under at least a second suspension from school for the school year
3. Is under an expulsion from school
4. Is considered a drop-out

The Bureau of Motor Vehicles is also required to invalidate a student's license or permit for the same reasons if the student is under age 18. IC 9-24-2-4

### **SUSPENSION FROM SCHOOL PARENT OPTION**

Students will not be suspended out of school if parent attends school with the student on day(s) designated for suspension. **This option can be used one time per year. This option cannot be used for level 4, 5 and 6 infractions.**

### **DETENTION**

Detentions will be 50 minutes in length and can be served at the following times Monday through Friday: 7:25-8:15 a.m., 2:50-3:40 p.m. and 3:45-4:35 p.m. Failure to serve detentions will result in suspension from school. ### **IN-SCHOOL SUSPENSION (ISS)**

Students who are removed from class will be sent to in-school suspension. Students must complete work assigned in the in-school suspension room. Students removed from in-school suspension will be cited for failure to and/or refusal to follow teacher or staff instructions. Teachers may assign students to the ISS room for isolated instruction for up to 5 class periods.

### **OUT OF SCHOOL SUSPENSION**

Any student suspended from school may be assigned to an alternative educational setting. **Students who are suspended/expelled from school cannot attend any school functions or be on any school property during the suspension/expulsion.**

### **CONSEQUENCES FOR INAPPROPRIATE BEHAVIOR**

The school system is committed to programs that will ensure the development of citizens who have self-respect, have respect for others, comply with existing laws, and accept their corresponding rights and responsibilities. To accomplish this, the school system must formulate clear expectations for individual students as well as for groups of individuals and the legal processes that guarantee and regulate them. All students at CHS are subject to the rules authorized in this student handbook and those listed in the Fayette County School Corporation Code of Conduct.

This plan is in effect for all school activities. The penalties are assigned according to the degree to which the educational process is disrupted, has the potential for disruption, or has the potential for endangering the health and safety of students and staff. The rules of conduct at Connersville High School are few. In general, the rules of conduct may be summed up as follows: Students are to be in attendance at school and on time, unless excused; students are expected to treat our staff, school property and their peers with respect. This philosophy should be observed at all times in and about the school.

Students suspended out of school are not permitted on campus. Also, suspended students are not permitted to participate in extracurricular activities during the span of suspension. Students who aid in, or who act knowingly with those participating in a violation of school rules, will be viewed as violators of that offense and will be disciplined accordingly.

It is also to be understood by each student that no student may provide, by sale or otherwise, any substance which he or she knows, believes is, or represents to be a legend drug, narcotic drug, hallucinogenic drug, amphetamine, barbiturate, marijuana, stimulant, depressant, or intoxicant of any kind.

Students are not to possess or use any substance which the student has reason to believe is, or which has been represented to him or her as, a narcotic, hallucinogen, amphetamine, barbiturate, marijuana, alcoholic beverage, tobacco product, stimulant, depressant, or intoxicant of any kind. Also, students are prohibited from possessing, using, transmitting, or being under the influence of caffeine-based pills, substances containing phenylpropanolamine (PPA), or other stimulants of any kind.

This plan for student behavior is intended to provide general guidelines by which students are to conduct themselves. This plan includes specific violations/consequences listed below, but does not limit the disciplinary consequences that may be imposed by the administration. Discipline could include detentions, isolated instruction, in-school suspension, out-of-school suspension, a behavior contract with the principal, and/or expulsion. Administration has the authority to limit and/or take away attendance at/participation in extracurricular activities and other school-related privileges in addition to the listed consequences for inappropriate behavior. Loss of privileges may include, but are not limited to attendance/participation in school dances, convocations, field trips, athletic/extracurricular events, and driving to school.

## **CHS Attendance Policy**

**CHS Attendance Regulation – To report an absence call 825-5584. To speak to someone in the attendance office, call 825-1151 #265. Calls accepted 24 hours, 7 days a week.**

**PHILOSOPHY:**

The attendance of a student in each class is a vital part of the educational process. The following procedures have been implemented in order to attain these outcomes:

- Providing daily interaction in the classroom,
- Helping students achieve a high level of academic performance,
- Preparing them for the workplace.

Accordingly, it is incumbent upon this school to use every reasonable measure to instill dutiful attendance habits in every student. A day lost in the classroom can never be completely retrieved. The dialogue between the teacher and students in a classroom environment can never be effectively duplicated. A high, positive correlation exists between formal learning and school attendance. Therefore, the following attendance procedures are in effect in our school:

**PROCEDURE:**

1. A student is expected to attend school every day. Five absences per class per semester (ten total for the year) may be excused by a parent by a call in or a note received by the CHS Attendance Office within 24 hours of the absence. If no documentation is received, the student

is considered unexcused, and possibly truant (IC 20-33-2-11 see CHS Discipline Plan, Level 2 Infractions).

2. After five absences per class (per semester), the student will require documentation from a doctor. If no doctor's note is provided, the student is considered excessively absent and unexcused (Excessive Absence is any absence over five without a note from a doctor).  
Consequences will follow:  
1<sup>st</sup> time: - 3 detentions  
2<sup>nd</sup> time: -1 day in-school suspension  
3<sup>rd</sup> time: - 2days in-school suspension  
4<sup>th</sup> time: - 3 days in-school suspension  
5<sup>th</sup> time: - 3-day suspension  
6<sup>th</sup> time: - 5-day suspension (same as above plus behavior contract before returning to school)  
Note: State law requires that schools report students ages 15-18 who have two suspensions or an expulsion within a school year to the Indiana Bureau of Motor Vehicles. Those students may be unable to obtain a driver's license or have license suspended.
3. After FOUR absences, a letter will be sent to parents from CHS Attendance. This letter will remind the parents of the CHS Attendance Policy and consequences of future absences.
4. These absences will be considered "in school," the same as a field trip:
  - a. Indiana General Assembly Page or honoree
  - b. Election Board helper on Election Day
  - c. Serving in the National Guard on Active Duty for not more than ten (10) days per year in accordance with IC 20-33-2-17, and participation in the Civil Air Patrol for not more than five (5) days in accordance with IC 20-33-2-17.2.
  - d. School sponsored Events
  - e. State Fair Exhibitor
  - f. Job Shadowing experience as authorized, scheduled and documented by a designated CHS staff member
  - g. Testifying in court under subpoena
5. These absences will be "waived" after documentation is approved (days that are waived do not count against the student in terms of disciplinary action but are counted as days absent from school):
  - a. Note from doctor/dentist/counselor verifying appointment
  - b. Hospitalization
  - c. Required Court Appearance
  - d. Suspensions
  - e. Death in the Family
  - f. Religious Holiday
  - g. College Day (one for juniors and three days for seniors will be waived with documentation from the college/university)
  - h. School Nurse/Health Assistant requests that a parent pick up student
6. Students will not be considered absent when authorized by a school official to be somewhere other than in their regularly scheduled class. For example, if the student is expected to report to a different location during his/her regularly scheduled class time for a meeting, conference with school personnel, testing, or field trip, the student shall not be considered absent. It is the responsibility of the student and/or the designated staff member to provide the teacher with written documentation to be permitted to be absent from class.
7. Students in Isolated Instruction/In-School Suspension will not be counted absent.
8. A student who, for any reason, is removed from Regular Attendance Register and placed on Homebound Instruction shall not be considered absent from their regular classes during this time.

9. A student absent from class for more than 15 minutes shall be considered absent for the class period.
10. All absences from class are covered by this policy. No distinction will be made between “verified” or “unverified” when determining total days absent from each course.
11. Students may make up all work missed at 100% credit when arrangements are made with the teacher for the absence, except students that are considered truant (absent without permission). Any work missed due to truancy will result in no credit.
12. Family travel – Students may be absent from school without sanctions for family travel under the following conditions:
  - a. The request must be made by the parent/guardian to the principal/director at least one week prior to the absence; and
  - b. All school assignments must be completed within one week after the return to school. Requests for family travel must be approved by the building principal/designee. Appeals of the principal’s/designee’s decision shall be made to the superintendent and the superintendent’s decision shall be final.

**Attendance Incentives:**

-Attendance incentives only apply to students enrolled at CHS for the entire semester. Suspension days count against incentives.

-At the end of each 9-week grading period, a student with perfect attendance will have his/her name entered into a drawing for the chance to win a prize(s).

-At the end of the school year, a student with perfect attendance will receive a certificate and have her/his name entered into a drawing for the chance to win a substantial prize(s).

**STUDENT RESOURCE TIME (SRT)**

SRT is to be productive educational time. Students are to use this time to complete homework, to seek individual help from teachers, and to use school facilities (like the computer and language arts labs, etc.) Each SRT is to maintain an atmosphere in which students can study and teachers can work with individual students. Students are expected to use SRT as educational time. Activities may also be scheduled during SRT including club meetings, intramurals, and special programs. SRT will be one-way traffic only. A student can go to one place during the passing period and must stay there for the remainder of SRT. If a student has overdue media center materials, then the student will not be allowed out of SRT to go to the media center or to any computer lab. Students may get help from teachers and take make-up tests.

**FOOD AND DRINK IN THE CLASSROOM**

Teachers may allow water, mints, gum, and throat lozenges in the classroom. No food or drink of any kind will be permitted in the media center or any computer lab.

**WORK PERMITS**

The student must pick up an “Intention to Employ” at the high school office. At this time, a student must complete a general information form. The employer must sign the “Intention to Employ” card stating the exact nature of the job. The student’s parents must sign the card. The card is then returned to the high school office. General rules governing work permits are listed on the work permit form. Students who are not in attendance at school should not be in attendance at work. An employment certificate (work permit) may be denied by the issuing officer to those students who do not meet the following requirements: (IC 20-33-3-13)

1. Grades: Pass 5 classes. Students must have passing grades at the end of the last grading period in a minimum of 5 classes (or 70% of classes enrolled in).
2. Attendance: A student can have no more than 3 unexcused absences per 9 week grading period.

GRADES and ATTENDANCE will be checked at the end of each 9-week grading period and work permits may be revoked if a student’s grades or attendance fall below the requirements stated above. All cases are subject to review by the Principal.

### **SUBSTANCE ABUSE POLICY**

The staff of Connersville High School believes that it has a responsibility to see that each student meets his or her potential. That potential may never be achieved if a student uses drugs or alcohol. At Connersville High School we realize that some of our students have substance abuse problems.

Therefore, we encourage self-referral before a student is found to be in violation of the CHS discipline plan. When a student voluntarily seeks help for a drug or alcohol problem before being found in violation of any CHS substance abuse rule, the school will not view it as a matter of discipline. The student will be referred to the appropriate place for help. A student who voluntarily enters treatment is expected to successfully complete it. If a student ends treatment against medical advice, all the time spent away from CHS will be considered an excessive absence. This policy does not include sale or distribution of drugs or alcohol.

### **EXTRACURRICULAR ACTIVITY CODE**

#### **CONNERSVILLE HIGH SCHOOL/CONNERSVILLE MIDDLE SCHOOL**

As part of school life, Fayette County School Corporation offers extracurricular activities to the student body. The objectives of these programs are to create student-learning experiences in citizenship, leadership, cooperation, and loyalty above and beyond those offered through the regular educational program.

Participation by students in these programs is voluntary and is provided as a privilege. In accepting that privilege, the student and his/her parent/guardian accept the responsibility that accompanies such participation as a representative of the student body and school community. That responsibility places the student in a model citizenship role concerning his/her behavior before, during, and after school. These requirements extend throughout the summer.

Students who participate in extracurricular activities are expected to cooperate with the directions of coaches/sponsors. The coaching staff/sponsor of each sport/activity has its own training rules and requirements. Coaches/sponsors have the necessary authority to enforce those rules as approved by the Board. Furthermore, the participant will conduct him/herself as a good citizen at all times, honor all curfews, refrain from possessing, transporting, selling, delivering, and using any alcoholic beverages, nicotine, unprescribed drugs, and avoid any conduct that reflects discredit upon the school. It is expected that a participant in a FCSC extracurricular program serve as an exemplary citizen for the community.

Violations of the aforementioned rules, any law, corporation policy, school rule, and extracurricular standard are subject to disciplinary action.

#### **PENALTIES FOR VIOLATIONS**

A violation will result in the following disciplinary action:

##### **I. First offense**

A first violation of this code will result in a suspension period from extracurricular clubs and athletics (see special Note I) of twenty-five percent (25%) of all scheduled athletic games, high school marching band contests, and after school extracurricular activities (see Special Note II). For all athletic games and high school marching band contests, any fraction of a game/contest suspension will be rounded to the nearest full game/contest. Students who are suspended from extracurricular clubs, athletic games, and high school marching band contests because of drug or alcohol related offenses will be required to obtain counseling and a chemical assessment by an agency approved by the school administration prior to readmission to the activity, and they must satisfactorily comply with recommendations from the assessment.

Early Reinstatement Clause: On the first offense, the student may regain eligibility to participate after 15% of the suspension if the student:

- a. presents documentation of participation in an assessment from a CHS/CMS approved provider at the expense of the student and/or his/her parent/guardian and follows the recommendations of the assessment; and
- b. has a follow-up "satisfactory" test; and
- c. participates in the CHS/CMS drug testing, at the expense of the student and/or his/her parent/guardian once a month for three (3) months following reinstatement.

##### **II. Second offense**

A second violation will result in a suspension from extracurricular activities and athletics for 75% of all scheduled athletic games, high school marching band contests, and after-school extracurricular activities.

Early Reinstatement Clause: On the second offense, the student may regain eligibility to participate after 50% of the suspension if the student:

- a. presents documentation of participation in an assessment from a CHS/CMS approved provider at the expense of the student and/or his/her parent/guardian and follows the recommendation of the assessment; and
- b. presents documentation that the student has satisfactorily completed the recommendations of the assessment; and
- c. has a follow-up "satisfactory" test; and
- d. participates in the CHS/CMS drug testing at the expense of the student and/or his/her parent/guardian once a month for six (6) months following reinstatement.

##### **III. Third offense**

A third violation will result in a suspension from extracurricular activities for the remainder of the student's middle school or high school career (see Special Note III).

**SELF-REPORT CLAUSE**

It is the intent of the Fayette County School Corporation to assist students with developing responsibility for their actions and to encourage honesty. Therefore, any student who voluntarily reports him/herself in violation of the Extracurricular Code, before being reported by some other means, will be permitted leniency on the first offense only (with the exception of a felony charge). The student will pay a lesser penalty for the infraction than stated; he/she will not be permitted to participate in a number of activities equal to 10%, or at least one contest of the sport season they are in or will be in. In cases of substance abuse, the self-reporting students must participate in a chemical assessment with a CHS/CMS approved professional to receive the benefit of this clause. This Self-Report clause can be used only once during the student’s four-year career.

- a. If school personnel learn of a violation prior to self-reporting, a self-report will not waive possible suspension.
- b. After a self-report any additional violations would move the students to second offense status.

**Special Notes:**

- I. See appendix for current list of extracurricular clubs/activities/athletics which are reviewed by the Board at the May or June Board meetings.
- II. All penalties shall carry over to the next school term, next athletic season, or next high school marching band season, if necessary, to satisfy the suspension from extracurricular clubs and athletics. In counting athletic games and high school marching band contests, count total games/contests scheduled for that entire season.
- III. All suspensions begin the day after the rule violation is found. The student and his/her parents/guardians will be notified by phone and/or certified mail.
- IV. Students violating the Extracurricular Activity Code who have earned an extracurricular award will not receive recognition at the awards program if the awards program occurs during the suspension period.
- V. All expenses for counseling, chemical assessment and rehabilitation will be the responsibility of the student/parents/guardians.
- VI. During any extracurricular suspension period, the student involved must attend related athletic practices and events.
- VII. A middle school student becomes a high school student upon completion of the 8<sup>th</sup> grade and violations do not accumulate from middle school to high school.
- VIII. A student athlete must complete the season in good standing in order to fulfill the requirements of serving an athletic suspension. Failure to complete the season in good standing will result in the suspension not being completed and will result in the suspension being carried over to the next sport’s season.

**RIGHT OF APPEAL**

An appeal process will be available for code violations. The student has the opportunity to appeal in writing to the principal/director within five (5) scheduled school days after the conference informing the student of his/her suspension.

An extracurricular Appeal Board will be randomly selected by the superintendent to handle appeals. It is the responsibility of the Appeal Board to determine if the administration acted within its duly given authority. The Extracurricular Board will either uphold the previous determination or decrease the suspension, but it cannot increase the suspension period. The Board will be composed of seven (7) members from the following areas:

Athletic Department.....	1	Board Member.....	1
Music Department.....	1	Secondary Parents/Guardians.....	3
Club Sponsor.....	1		

The Extracurricular Appeal Board will meet with the individual student and his/her parents/guardians to review the information within ten (10) school days after the written appeal has been received by the principal/director. The athletic department official who initially suspended the student shall be present at the meeting of the Extracurricular Appeal Board. A final determination by majority vote will be made within five (5) scheduled school days of this meeting of the Extracurricular Appeal Board. The Extracurricular Appeal Board shall select a chairperson who will preside at the meeting and notify the student and his/her parents/guardians of the Extracurricular

Appeal Board's determination via certified mail. This letter shall be sent within two (2) scheduled school days following the Extracurricular Appeal Board's determination. From the school officials' and Board's perspective, the decision of the Appeal Board is final.

## **EXTRACURRICULAR DRUG TESTING**

### **I. Objectives**

The purpose of this program is to prevent participation in extracurricular activities while a student has drug or alcohol residues in his/her body and to educate, help, and direct students away from drugs, alcohol, and nicotine and toward a healthy, safe, and drug-free participation in extracurricular activities.

The objectives of the extracurricular drug-testing program are

- a. to prevent the use of drugs, alcohol, and nicotine;
- b. to educate students about the serious physical, mental, and emotional harm caused by the use and abuse of drugs, alcohol, and nicotine;
- c. to alert students with possible drug problems to the potential harm of drug abuse;
- d. to prevent injury, illness, and harm as a result of drug, alcohol, and nicotine use; and
- e. to maintain an extracurricular environment free of drugs, alcohol, and nicotine.

Participation in extracurricular activities is a privilege at Connersville Middle School and Connersville High School and participation is voluntary. Students participating in athletics and extracurricular activities are often in leadership roles in the school community and may serve as examples to other students. Therefore, it is mandatory that each student who participates in extracurricular activities at Connersville Middle School and Connersville High School sign and return the extracurricular Drug Testing Program Consent Form prior to participating in any activity. Failure to comply will result in non-participation.

### **II. Process**

- a. All participants in extracurricular activities will receive a copy of this drug testing policy, as well as a consent form which shall be dated and signed by the participant and by the student's parent(s)/guardian(s). In addition, the coach/ sponsor of each extracurricular activity will require the attendance of all prospective members, as well as the parent-guardian, at one or more drug policy education sessions. No student shall participate in any CMS or CHS extracurricular event for which she/he does not have a signed consent form. In signing this consent form, the student and parent/guardian agree to the stipulations of this drug testing policy.
- b. The selection of participants to be tested will be done randomly by laboratory or by parent/guardian request. The selections will be made at various times throughout the school year. If selected for testing, the student will be required to provide a sample of his/her urine in a verifiable manner; however, the collection of the sample shall not be physically observed, and the staff member present will be of the same sex. A "chain-of-custody" will be utilized throughout the drug testing procedure, i.e. the student's number and the date will be written on the sample bottle, which both the student and the principal/designee will date and initial as correct. The sample will be turned over to a competent testing facility where urinalysis will test for alcohol, nicotine, "street drugs" (which may include all drugs listed as controlled substances under the laws of the state of Indiana), and performance enhancing drugs such as steroids. It is the responsibility of the student or parent/guardian to inform the principal/designee at the time of the test whether or not the student is taking any over-the-counter or prescription medications that might contribute to a "positive" test result. The student's failure to provide a usable sample shall constitute non-compliance with the policy.
- c. Connersville Middle School and Connersville High School will conduct the tests so that only the principal/designee and the staff member obtaining the sample will know which students have been tested. This privacy will be maintained because the laboratory will test and report on the sample only by number. Only the student, the parent/guardian, and the principal/designee will know the results of the test.

- d. All students will remain under school supervision until they have produced an adequate urine specimen. If unable to produce a specimen, the student will be given up to 24 ounces of fluid. If still unable to produce a specimen within two hours, the student will be taken to the principal's/director's office, and told she/he is no longer eligible for any of the extracurricular activities. In addition, the parents/guardians will be telephoned and informed the student is unable to produce a sample for the testing procedure and that she/he may be tested at a later date to be reinstated for eligibility.
- e. If a student's sample shows that drug residue substances are present, the laboratory will run a second analysis before advising the principal/designee, who will then contact the student and parent/guardian. No one else will be informed of the results. The principal/designee will explain the type of substance found and health hazards involved. If the student and the parent/guardian desire, they may have any remaining portion of the urine sample analyzed again, as long as that testing takes place under conditions which assure that the principal/designee controls the verification and transmission of the sample to a facility at a mutually agreed site. In addition, the results must be returned to the principal/designee. Although FCSC pays for the initial drug testing, the corporation will not pay for any subsequent testing requested by the student or parent/guardian.
- f. During the student's suspension period, a "follow-up" test will determine whether the substance found in the original test has been eliminated. The test will not be conducted until enough time has passed for the original substance to be eliminated. In addition, the student may be retested at any time throughout the remaining school year that the student is involved with any extracurricular activity.
- g. FCSC also reserves the right to test any extracurricular participant who at any time exhibits cause for reasonable suspicion of drug or alcohol usage.
- h. Students who test "positive" for drugs shall be immediately disciplined pursuant to the Penalties for Violations of the Connersville Middle/High School Extracurricular Code.

**NOTE:** This program will not affect the policies, practices, or rights of FCSC to deal with drug, alcohol, or nicotine possession or use where reasonable suspicion is obtained by means other than the random sampling provided for herein.

#### **EXTRACURRICULAR SCHOLASTIC ELIGIBILITY REQUIREMENTS**

Scholastic eligibility for all students participating in any extracurricular activities shall be as follows:

1. Pass 5 – Students must have received passing grades at the end of their last grading period in at least five (5) subjects (semester grade takes precedence.)
2. Credit requirements – Students must maintain the proper number of credits necessary to be promoted to the next grade level. (Sophomore 11, Junior 23, Senior 32)
3. If academically ineligible, and the student's extracurricular activity has contests, competitions, or performances, the student will still be required to attend practices, but cannot participate in contests, competitions, or performances until academic eligibility has been achieved at the end of the next grading period. Extracurricular activities without contests, competitions, or performances will be suspended from attending the extracurricular activity based on criteria set by the club sponsor and administrator.
4. All freshmen participating in a fall sport will have mid-term grade reports during the first grading period. Parents will be notified of any potential grade problems the student/athlete is having at that time.

### **HOW TO BE AN ELIGIBLE ATHLETE**

It is understood that a student's attitude, conduct, and general school spirit, in and out of contests, must be of acceptable quality in order for him or her to enjoy the privilege of representing the school. Students participating in interscholastic athletics are responsible for adhering to State Eligibility Rules, Extracurricular Code, Personal Rules of Conduct of CHS, and any other rules established by the team and/or coach. Students should be aware that there are in-season and off-season rules applicable to athletes in all sports, and athletes must be aware of these. Copies of the Training and Eligibility Rules will be distributed by individual coaches or are available from the Athletic Director.

### **EXTRACURRICULAR PARTICIPATION**

Any student interested in running for Homecoming, Snoball, or Prom King/Queen and/or Court must comply with the extracurricular rules and guidelines and not have any extracurricular code violations. The principal/designee will also consider student behavior to determine eligibility. No middle school students may attend high school dances. Students not currently enrolled at CHS must have a signed permission slip by administrator to attend a school function. **NO STUDENT MAY PARTICIPATE** in afternoon or evening extracurricular activities, including **DANCES, GAMES OR PRACTICES**, if he/she has not been in attendance for the entire school day, unless the absence is approved by an administrator.

### **Guidelines for Students Involved in Multiple Activities**

The directors and coaches at Connersville High School want to encourage students to participate in various activities. We anticipate conflicts between organizations. It is our intent that the following guidelines will help in resolving potential conflicts. We believe that these expectations are reasonable and we will not put a student in a dangerous or liable situation. If a student chooses to participate in more than one activity, it is required that there be communication among the student, coach and the director. It is also expected that the student, coach and the director adhere to all of the guidelines.

1. If your activity practices twice a day and there is a conflict, you must attend one practice session involving each activity.
2. When performances/competitions and/or games conflict with practices, the performance/competition or game should take precedence over the practice.
3. If two activities are practicing at the same time, the director and coach must communicate and share the student.
4. Grades will not be lowered if a student misses a practice or performance/competition because of an athletic competition

5. Coaches and directors will not penalize a student if he/she chooses to participate in one event and not the other if there is a conflict.
6. ISSMA events take precedence over all practice and athletic competitions.
7. IHSAA events take precedence over all practices and band and choir activities.
8. When ISSMA and/or IHSAA events, or athletic competitions and/or performances are in conflict, the sponsors and/or coaches need to meet to determine if any kind of shared participation is possible. If such shared participation is possible, the student should be shared in both events. Allow the student to split his/her practice time between the two activities. If shared participation is not possible, the student should have the right to select the activity he or she will participate in with no retribution to be enacted relative to the other activity.
9. Sport practices take precedence over Cheerleading and Spartanette practices. If at all possible, Cheerleading and Spartanette practices should be scheduled after the athletic practices.
10. If seasons overlap, the “in-season” sport takes precedence over an “out-of-season” sport.
11. If selected for Spartanettes, the athlete may not participate as a Varsity Cheerleader.

#### **SUMMER SCHOOL**

Students who fail a required subject during the regular school year are strongly encouraged to obtain a make-up credit for that course by attending CHS Summer School, or if the course is not available here, another acceptable summer school or correspondence study.

#### **REPORT CARDS**

Report cards are given out every nine weeks to notify parents and guardians of student progress.

#### **HONOR ROLL**

In order to be included on the CHS Honor Roll, a student must be a full-time student. The student must have a grade point average (G.P.A.) of at least 3.0.

All grades that carry an “I” (incomplete) status will result in a student not being on the honor roll unless that grade is changed in the computer. There can also be no more than one grade of “CR” (credit) in order for a student to qualify for the honor roll. All “I’s” that are changed after the semester ends will be recorded and the correct grade placed in the student’s academic history.

#### **GRADE POINT AVERAGE**

Grade point average (G.P.A.) is obtained by dividing the total classes or credits attempted into the total points accumulated.

For college/university admissions, scholarships and honor graduates, accumulated G.P.A. will be computed at the end of the sixth (6<sup>th</sup>) and seventh (7<sup>th</sup>) semesters of the student’s eight semesters of high school curriculum. Final class standing will be based upon eight semesters.

#### **PROMOTION/RETENTION**

Promotion of students entering grades 10, 11, or 12 is based on the number of earned credits a student has accumulated at the conclusion of the academic school year. Students entering the first year of the four-year high school curriculum will be classified as 9<sup>th</sup> graders.

<b>Class status based on credits:</b>	9 <sup>th</sup> (Freshman)..... 0 credits
	10 <sup>th</sup> (Sophomore)..... 11 credits
	11 <sup>th</sup> (Junior)..... 23 credits
	12 <sup>th</sup> (Senior)..... 32 credits

A course credit is issued to a student when the student has demonstrated the appropriate educational performance set forth by the course requirements and evaluation by the teacher. To earn credit, a student must receive a passing grade.

#### **GRADUATION REQUIREMENTS**

Requirements for graduation from a four-year high school have been established by the Indiana Department of Education and FCSC Board of Education. See CHS Career Planner for requirements for your specific year of graduation.

### **SCHOOL OWNED ITEMS**

All school-owned equipment and materials must be returned in good condition prior to completion of the last day of school by all students. Additionally, all school debts and textbook fees must be in good standing for all students billed for such fees during the academic year.

### **DUAL COLLEGE CREDIT COURSES**

The Fayette County School Corporation, Indiana University, Purdue University and IVY Tech Community College have developed dual-credit agreements for some CHS courses. A student successfully completing a dual-credit course will earn high school and college credit. College credits from IU and Purdue have a tuition cost, but, there is no cost to the student for dual-credits from Ivy Tech. Some courses have been designated as Indiana Core Transfer Library (CTL). These courses will transfer among all Indiana public college/university campuses. A current CTL course list can be found at [www.transferin.net](http://www.transferin.net). The courses earning dual-credit can be found in the Career Planner under ECHS.

Many Whitewater Career Center programs offer dual-credit. In addition, students may also opt to "Take A Course On Us" through an IVY Tech campus or on-line. See the Guidance Department for more information.

### **GUIDANCE SERVICES**

Students may request to see their guidance counselors by leaving a note requesting an appointment with the guidance department secretary. Students may NOT go to the guidance office during school hours without a pass from the counselor.

Counselor services are designed to serve the needs of individual students in preparation of academic schedules, long-range school programs, vocational or college planning, course adjustment, and personal matters. Group counseling is available.

### **PROGRAM CHANGES**

Any program or schedule change must be made in accordance with procedures stated:

1. Failure of a class necessary to graduate
2. A class needed by a senior for admission into a post-secondary school
3. A physical ailment or injury that necessitates a change
4. Schedule conflict

### **STUDENT RECORDS**

A parent or guardian of a student who is (1) under the age of 18 years and is (2) currently enrolled or has been in attendance in the school system has a right to inspect and review the student's record or any part thereof. Whenever a student has attained 18 years of age or is attending an institution of post-secondary education, the permission or consent required of and rights accorded to parents under this policy shall be required of and accorded to the student. Rights to access shall be exercised by presenting a written request to the principal's office where such records are maintained. Requests should specify the record which the parents wish to examine or inspect.

### **MEDIA RELEASES**

From time to time the school releases students' pictures, names, etc. to the media. This may be in the form of a group or individual picture in the paper about some school activity, a recording or a student's voice on the radio promoting a school project, a video clip on TV, etc. If parents object to their child(ren) being included in such releases they must notify the school in writing of their objection within two weeks after the date of enrollment.

### **PARENTAL ACCESS TO A CHILD'S RECORDS**

IC 20-33-7-1 and 2 defines "education records" and provides for equal access to the records by both a custodial and a non-custodial parent, absent a specific court order to the contrary. Before denying a parent access to records on the basis of a claim of the existence of such an order, Connersville High School personnel will require a copy of the order.

### **EMANCIPATED STUDENTS**

Students who are legally emancipated by the court shall be subject to all school rules and regulations. They shall assume all responsibilities normally assigned to parents or guardians and shall receive all school documents and communications usually sent to the parents or guardians. Students are to be in attendance as required by law. Emancipated, for the purpose of this policy, means generally self-supporting, independent of parental assistance, and living in a residence other than with the parents. Also, the student has a signed form from the parent that the student is not listed as a dependent on the parent's federal tax form. If an emancipated student receives a suspension, the principal or designee will conduct a conference with that student within twenty-four (24) hours. This conference will be in lieu of the normally expected parental conference.

### **WITHDRAWAL FROM SCHOOL**

The student or parent must obtain a withdrawal form from the school office. All books and materials checked out to the student must be returned to the school. The procedure for withdrawal or transferring is as follows:

1. Schedule an appointment for the parent with principal
2. Obtain appropriate forms from an administrator
3. Obtain principal's consent to withdraw
4. Return all schoolbooks and property to the office
5. Make sure all fees have been paid
6. Provide information for transfer of transcript to another school if necessary

### **STUDENT HEALTH SERVICES**

Following are a few simple regulations, which are requested of students in order that we may help to maintain safety and health for all of the students.

Connersville High School has a full-time health assistant. First aid, when needed, is administered by available school personnel. However, the school does not take responsibility to care for or treat any body piercing or tattooing. If questions arise or in case of serious illness or injury at school, it is the policy of the school to contact parents, if at all possible, and arrange for the student to be taken home or to the hospital. Further care and treatment are the responsibility of the parent/guardian. A student is never sent home unless permission is given by the student's parent/guardian. The health assistant is available to counsel students and parents about health related problems and concerns. It is imperative to notify the health assistant if there is a health problem. Parents must let the school office know about changes in addresses or phone numbers or about temporary situations, which may affect the school's ability to contact the parent in emergencies.

Prescription and Non-Prescription medication (not considered Controlled Substances) may be transported to or from school by students if the student's parent/guardian provides written permission prior to transporting the medication. Prescription medications also require a written order of a medical practitioner with authority to prescribe drugs.

Medications considered Controlled Substances may not be transported to or from school by students. Medications considered Controlled Substances, provided in the original container with an appropriate prescription, must be transported by a parent/guardian or an individual who is at least 18 years of age and has been authorized in writing by the student's parent/guardian to transport the medication.

Students are prohibited from possessing over-the-counter or prescription drugs on school property. Any student who is required to carry a prescription drug on his/her person during school hours shall immediately upon entering school property, deposit such drug with the school health assistant who, if necessary, will administer the drug. The student will pick up the same upon leaving the school.

A student with a chronic disease or medical condition may possess and self-administer prescribed medication for the disease or condition if the student's parent has filed a written authorization with the building principal. The written authorization must be filed annually, and the written authorization must be done by a physician and must include the following information:

- 1) That the student has an acute or chronic disease or medical condition for which the physician has prescribed medication.

- 2) The nature of the disease or medical condition requires emergency administration of the prescribed medication.
- 3) The student has been instructed how to self-administer the prescribed medication.
- 4) The student is authorized to possess and self-administer the prescribed medication.

Students will be sent home if they exhibit:

1. Temperature 99.8 degrees or above
2. Actively vomiting
3. Blisters in throat
4. Injury requiring further medical attention
5. Seizure
6. Have pregnancy-related contractions or bleeding
7. Foreign body in eye
8. Nits or lice in hair

Some students may or may not be sent home on a case-by-case basis.

#### **ACCIDENTS AND INSURANCE**

The school is responsible only for immediate first aid. The Board of Education does not have any medical insurance to pay bills incurred as a result of accident or injury to the pupil at school. The parent or guardian is responsible for the payment of such bills. Parents and students are urged to avail themselves of the protection afforded through school insurance. Information regarding various insurance plans will be distributed during the first week of school. In the case of an accident, no matter how minor, the student must report that accident to the teacher immediately. In the case of severe accidents or acute illness, emergency care will be given and the parents will be notified.

#### **MEDICAL TRANSPORTATION**

It is the responsibility of the parents to provide transportation and further care of the student if the student becomes ill or injured on school property. Students may not be sent home without parental approval and no student may drive when excused for medical reasons unless parental consent has been given.

#### **COMMUNICABLE DISEASES**

Students returning to school after recovering from a communicable disease must be cleared through the school health assistant's office. Communicable diseases include German measles, measles, mumps, chicken pox, scarlet fever, conjunctivitis (pink eye), mononucleosis, and head lice.

#### **FIRE, TORNADO, CRISIS DRILLS**

Drills are necessary for the safety of the students and faculty. Everyone should know the specific directions for reaching a point of safety from those areas of the building in which he/she may be. For fire and tornado drills the information is posted in each room.

#### **GENERAL RULES FOR FIRE DRILLS**

1. Teachers will close windows.
2. Students will follow designated exit instructions, keep in single file, walk, not run, refrain from talking, and proceed to a distance approximately 100 feet from point of exit.
3. The teacher will remain with his/her group (must have grade book).
4. When the all clear is sounded, all will return to their classrooms in the same orderly fashion.

**Note:** Fire drills are very important and serious exercises which may save lives. Everyone is expected to act accordingly.

#### **GENERAL RULES FOR TORNADO DRILLS**

1. Windows and doors should be left open.
2. Students should proceed single file to first floor quickly and quietly.
3. Teachers are to take attendance with their grade books.
4. Shelter should be located away from glassed-in areas.
5. Southwest corners of rooms are considered safest.

#### **I.D. CARDS**

Students who have lost their I.D. cards must report their loss to the office. Arrangements will be made for the student to obtain a new card. Students are never to lend their I.D. cards to others for any use whatsoever.

Any student found using or having another student's I.D. card will be subject to disciplinary action.

Students attending school activities after school hours without their I.D. cards may be subject to expulsion from that activity.

#### **MEDIA CENTER**

The media center is intended as a quiet place for students to do related class work. Books from the general collection and magazines may be checked out for a period of three weeks. Reference books may not be taken from the media center. Students must pay for unreturned books or replace them. Computers are available for student use to access the on-line catalog or the Internet and all reference sites to which the media center subscribes.

Students may come to the media center with their class or with a pass from their teacher during class when they must sign in and out. During SRT students must have an assignment pass from the teacher who made their assignment for the media center use, signed by their SRT teacher. In addition, students are welcome before school and after school for study. The media center is open 7:30 a.m. to 4:00 p.m.

If a student has overdue media center materials, then the student will not be allowed out of SRT to go to the media center or to any computer lab. Students may still get help from teachers and take make-up tests.

#### **CAFETERIA**

Students are expected to:

1. Pay for their lunch – no credit
2. Stand in line and wait their turn
3. Eat in the cafeteria
4. Keep the table areas clean
5. Return trays and refuse
6. Use good table and eating manners
7. Put chairs back in place
8. Only bottled water can be taken out of the cafeteria
9. AM WCC students report directly to cafeteria/courtyard after being dismissed from WCC
10. No outside food/drinks are to be delivered to any CHS student(s) by anyone.

During lunch, students are to be in the courtyard and/or cafeteria only.

Any violation of the above will be dealt with using the discipline code.

#### **VISITORS**

No student visitors will be allowed during the school day. All other visitors must report to the principal's office.

#### **TEXTBOOKS**

Textbooks are rented to pupils and should be returned in acceptable condition, or the student will be held financially responsible.

### **LOCKERS**

**Students should keep their lockers locked at all times.** Do not bring valuable items or large amounts of money to school. Lockers should not be banged, kicked, defaced, or otherwise damaged. Any locker damage will be assessed to the student responsible for the locker. Disciplinary action may result from such action as well. Ordinarily, students should go to their lockers only during passing times. IC 20-33-8-32 clarifies that school lockers are the property of the school corporation, therefore students have no expectations of privacy in those lockers or their contents. The principal or other designated members of the administrative staff may inspect such lockers or their contents. All contents of the locker should be in keeping with the general guidelines of the school.

**The school is not responsible for any loss/damage/theft of personal property, including medication, while on school property. This is the responsibility of the student and parent. Parents are encouraged to carry homeowners' insurance to cover any loss of property.**

### **ORGANIZING CLUBS**

Any group or individual wishing to establish a school organization should present to the administration a written description of 1) the purpose, 2) how it will serve the student and school community, 3) organizational structure, 4) rules of membership, and 5) name of faculty sponsor. Approval will be taken to the school-wide improvement committee, CLASS, and will be decided based upon student interest and the manner in which the organization would fit into the Connersville High School goals and extracurricular structure.

### **HALL PASS**

Each student is required to have a PASS if he/she is in the halls while classes are in session. Each student entering a class after the beginning of the period must have a PASS either from the office or from the teacher who held the student late. Misuse of any hall pass, including SRT passes, may result in no more passes being issued to the student.

### **LOST AND FOUND**

The bookstore is the area designated for lost and found articles. Anyone who finds a lost or misplaced article should take it to this area as soon as possible. Students looking for lost possessions should check in the bookstore. If lost and found articles are not claimed within a reasonable amount of time, they will be discarded or given away.

### **TELEPHONE**

**PHONE USE:** Students are not to use the office phones without permission. Length of calls will be limited.

**STUDENT USE OF THE INTERNET**

**Dear Parent/Guardian:**

The Fayette County School Corporation is pleased to make Internet/computer services available to its students. The following information describes the Internet services.

The Internet is a global network that will provide your child with access to a wide range of information from throughout the world. Your child will also be able to communicate with people worldwide. Use of the Internet for educational projects will assist in preparing your child for success in life and work in the 21<sup>st</sup> century.

The Internet contains websites that you would probably consider objectionable. The Fayette County School Corporation Acceptable Use Policy (FCSC Policy 4.27) restricts access to material that is inappropriate in the school environment. In addition, the school corporation has implemented a filtering system, which will assist in blocking any user's access to inappropriate material. The filtering program will be updated daily in an attempt to block access to inappropriate sites. Although your student's use of the Internet will be supervised by staff, we cannot guarantee completely that your child will not gain access to inappropriate material. There may be additional kinds of material on the Internet that are not in accord with your family values. We would like to encourage you to use this as an opportunity to have a discussion with your child about your family values and your expectation about how these values should guide your child's activities while he/she is on the Internet.

The levels of access to the Internet provided to your child will vary according to the educational purpose and your child's age. This will be, as mentioned above, under the guidance and supervision of the classroom teacher, or other responsible adults. The following "Network Etiquette" is also expected of all students and staff members.

1. Be polite. Do not be abusive in your message to others.  
Do not reveal your personal address or phone number or the personal addresses or phone numbers of other students.  
Do not use the network in such a way that you would disrupt the use of the network by other users.
2. Do not respond to unsolicited on-line contact.
3. Do not attempt to access inappropriate sites.
4. Report any incidence of inappropriate information to the supervising adult.

Participating in any of the following acts will result in corresponding discipline options:  
Not upholding copyright laws (text, graphics, etc.); uploading unapproved software on school computers; receiving illegal/pirated software of any kind; attempting to run programs to bypass security or filtering systems; use of other students' log-in access codes; use of chat, games, news-groups, email, etc.; changing computer settings of any kind;  
No unauthorized viewing or logging into another computer or the network.

Add a **new insight** that follows from your essay.

Offer a **so what statement**.

#### **Citation Formats – Citing Sources in the Text (Parenthetical Citations)**

Author’s name in reference: He has expressed this concern (Smith, 1982).

#### **What Do I Need to Cite in my Paper?**

- **Direct quotations:** Use the author’s exact words placed inside quotation marks. Look for quotations that are well-written and use elegant language that you could not replicate in your own paraphrase.
- **Paraphrases:** Restate an author’s ideas in your own words. Do not change the meaning of the original. Do not copy the sentence structure of the original. Your paraphrase will be about the same length as or even longer than the original.
- **Summaries:** Condense an author’s ideas. Use your own words. Do not interpret the information in your summary.

### MLA Formatting and Style Guidelines:

- Double-space the text of your paper, and use a legible 12 pt. font (e.g. Times New Roman).
- Leave only one space after periods or other punctuation marks.
- Set the margins of your document to 1 inch on all sides.
- Indent the first line of paragraphs one half-inch from the left margin using the Tab key.
- Create a header that numbers all pages consecutively in the upper right-hand corner, one-half inch from the top and flush with the right margin.
- Use italics throughout your essay for the titles of longer works and, only when absolutely necessary, providing emphasis.
- If you have any endnotes, include them on a separate page before your Works Cited page. Entitle the section Notes (centered, unformatted).
- **Note: An individual teacher's directions/expectations supersede these guidelines.**

### **General Guidelines for most written assignments**

- WRITE LEGIBLY!
- Put your full name, the date, and your class period in the upper right margin of your paper.
- When writing assignments by hand, use lined loose leaf paper. Please don't tear out pages from spiral books.
- Indent the first line of each paragraph.
- Use only one side of each sheet of paper on the final draft of compositions.
- Avoid use of Instant Messaging (IM-ing) shortcuts.
- Maintain clear margins on all four sides of the paper, preferably a one inch margin all around. Reset default margins on your word processing application, if necessary.
- Use only blue or black ink on the final draft.

### **Punctuation Guidelines**

#### **Titles**

When referring to titles in your writing, be sure to use the correct form of punctuation.

- Use quotation marks to punctuate the titles of short stories, poems, essays, articles in magazines, or songs.

“Ode to a Nightingale”

“Born to Run”

“The Cask of Amontillado”

- Use italics to punctuate the titles of novels, plays, magazines, newspapers, albums, DVDs, or movies.

If you use a word processor, italicizing is easy; however, if you handwrite or use a typewriter, then underlining titles is your only option. Whichever form you use, be consistent throughout your paper.

*The Great Gatsby* OR The Great Gatsby

*The New Yorker* OR The New Yorker

*Shrek* OR Shrek

**Note:** When you create an original piece, **do not put quotation marks around your own title!**

**Do not italicize or underline your own title!**

#### **Semi-colon**

Semi-colons are most commonly used to link two closely related sentences in place of a comma and a coordinating conjunction. A semi-colon is also used before a conjunctive adverb to indicate a pause and highlight the relationship of the two parts of the sentence.

**Examples:**

Mr. Olveida played the cello professionally for many years; he now conducts a community orchestra.

The hurricane washed out the bridge; therefore, the state police closed the road.

**Dash or hyphen?**

These punctuation marks not only look different but have different uses.

- A **hyphen** (-) is used to separate parts of words.
- A **dash** (—) is twice as long as a hyphen and is used to separate parts of a sentence to show emphasis or to indicate a shift in thinking. It is often used for the same purpose as a set of parentheses.
- Do not put a space before or after either the hyphen or the dash.

**Examples:**

*hyphen:* one-third; eye-opener

*dash:* The movie was so funny—although I usually don't care for comedies—that we laughed ourselves silly.

**Six Helpful Steps When Reading a Text:**

**1<sup>st</sup> Preview:** Look at structure.

**2<sup>nd</sup> Predict:** What is it about? How do you know?

**3<sup>rd</sup> Read:** Mark interesting or difficult vocabulary and passages.

**4<sup>th</sup> Ask:** What is the purpose? (persuade, entertain, describe, inform)

**5<sup>th</sup> Specify:** What are the details that support the author's purpose?

**6<sup>th</sup> Go Back:** Figure out difficult vocabulary and passages.
